HaloShield™ Vent and Smoke Detector Covers
Reusable covers quickly seals ceiling locations. Easily installs from floor. No ladder required!

NEW HaloShield SDC

Smoke Detectors Covers. Same simple and secure "from the floor installation" as HaloShield vent covers.

HaloShield Vent Cover

P/No. 0800 -SHSVC

Sold in 2-pak bundle only. Includes:

2- Vent Covers (note size desired when ordering)

2- Extendable ZipPoles®

The HaloShield resusable vent cover helps make room preparation for fogging treatment faster and easier. Constructed from lightweight plastic and closed-cell foam, the HaloShield installs quickly, effectively covering most standard sized ceiling ventilation locations. The ZipPole extendable handle provides secure installation of the cover from the floor, with no ladder required. When you're ready to re-occupy the room, simply lower the HaloShield, disconnect from the ZipPole and store for your next use. Available in two sizes, 2' x 2' and 1' x 2'.
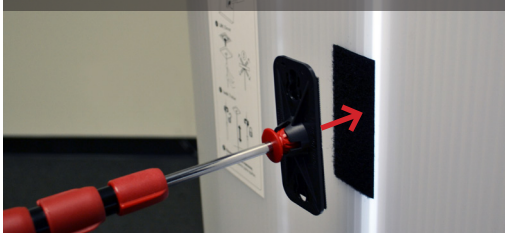

HaloShield SDC

P/ No. 0800 -SHSSDC

Includes:

1- Smoke Detector Cover

1- Extendable ZipPole

Rigid plastic 'bowl' with foam edge sized to surround most standard smoke detectors. Use the included ZipPole to securely seal cover against ceiling tile.

Attach ZipPole to HaloShield with supplied hook & loop fastener.

Lift shield up and position to completely cover vent.

Twist pole to unlock. Extend to secure between ceiling and floor. Twist pole to lock in place.
